

# IMPORTANT NEWS for People with Psoriasis

University Clinical Trials in San Diego is conducting a research study for adults to test the effectiveness of an investigational medication for mild to moderate psoriasis.

**Qualifications Include:**

- Adults ages 18 and older
- Must currently have mild to moderate psoriasis- red, thicker patches that may have silvery scales and often itch
- Must have psoriasis on your body, arms or legs

**Study involves:**

- Visits to our clinical research facility
- Usage of study medication

Qualified participants will be compensated for their time and participation. Health insurance is not needed to participate. There is no cost to you.
